## Cameron County Confirms COVID-19 Related Death

Cameron County has received confirmation of a COVID-19 related death of a Cameron County resident. The individual was a 92 year old male resident of the Windsor Atrium in Harlingen. He was a previously reported case. This raises the number of COVID-19 related deaths to eighteen (18) in Cameron County.

“On behalf of the Cameron County Commissioners’ Court, we extend our deepest sympathies to his family and friends,” stated Cameron County Judge Eddie Trevino, Jr. “We will keep them in our thoughts and prayers through this difficult time.”

Cameron County has also received confirmation of an additional eleven (11) reports of COVID-19. This includes the following:

<b>Residence</b>	<b>Gender</b>	<b>Age(s)</b>	<b>Transmission</b>
Brownsville	Female	37	Community
Brownsville	Female	8, 14, 34, 55, 67	Link to Previous Case
Brownsville	Male	5, 28	Link to Previous Case
Harlingen	Female	61, 96	Link to Previous Case
San Benito	Female	53	Link to Previous Case

This raises the total number of cases to 412 in Cameron County. Of the 412 cases, 187 individuals have recovered.

Cameron County Public Health continues to work with the two nursing home facilities in addressing the COVID-19 outbreaks. To date, the Cameron County cases arising from the Veranda Nursing Home has included 31 employees and 58 residents who have tested positive, including ten (10) who have passed away. The Windsor Atrium currently has 31 employees and 29 residents who have tested positive. They have had seven (7) individuals linked to Windsor Atrium who have passed away.

As part of the COVID-19 action response plan, Cameron County Public Health is conducting epidemiological investigations, contact tracing as needed, and continues to monitor the situation.
