This raises the total number of COVID-19 cases to 1,647 in Cameron County. There have also been an additional 58 individuals who have recovered, raising the total number of recovered individuals to 1,002.

Cameron County Public Health continues to work with the four nursing home facilities and one detention center in addressing the COVID-19 outbreaks. To date, the Cameron County cases arising from the Veranda Nursing Home has included 35 employees and 63 residents who have tested positive, including 11 who have passed away. Spanish Meadows in Brownsville also has 6 employees and 11 residents who have tested positive, including 2 who have passed away. The Rio at Fox Hollow in Brownsville has 6 employees and 13 residents who have tested positive. Alta Vista in Brownsville has 1 employee and 3 residents who have tested positive. In addition, Port Isabel Service Processing Center has 7 employees and 53 detainees who have tested positive.

As part of the COVID-19 action response plan, Cameron County Public Health is conducting epidemiological investigations, contact tracing as needed, and continues to monitor the situation.
