Dear Sharyland Family,

Earlier today an emergency school board meeting was held to discuss the updated Hidalgo County Local Health Authority Order for all public-school systems related to facial coverings. Effective immediately, students (parents), faculty, staff and visitors to the Sharyland Independent School District will have a choice regarding the usage of a facial coverings, indoors and outdoors. Sharyland ISD will continue to highly encourage the use of masks at district facilities.

Most recently we have observed a downward trend in COVID-19 positive cases. Although we will continue being vigilant and monitor local, state, and national recommendations, at this time we feel confident that all of our stakeholders will make the best decision for them and their family regarding this choice.

On behalf of our Board of Trustees and myself, I would like to personally thank you for your support and for being true partners in education. Keeping our students and campuses safe so that productive instruction can take place will remain Sharyland ISD’s top priority.

Sincerely,

Dr. Maria M. Vidaurri
Superintendent of Schools

Querida familia de Sharyland:

Hoy temprano se llevó a cabo una reunión de emergencia de la mesa directiva escolar para discutir la Orden actualizada de la Autoridad de Salud Local del Condado de Hidalgo para todos los sistemas de escuelas públicas relacionados con cubrimientos faciales. Efectivo de inmediato, los estudiantes (padres), la facultad, el personal y los visitantes del Distrito Escolar Independiente de Sharyland tendrán una opción con respecto al uso de cubiertas faciales, en interiores y exteriores. Sharyland ISD continuará fomentando el uso de tapabocas en las instalaciones del distrito.

Recientemente, hemos observado una tendencia a la baja en los casos positivos de COVID-19. Aunque continuaremos vigilantes y monitoreando las recomendaciones locales, estatales y nacionales, en este momento estamos seguros de que todas nuestras partes interesadas tomarán la mejor decisión para ellos y su familia con respecto a esta elección.

En nombre de nuestra mesa directiva y de una servidora, me gustaría agradecerles personalmente por su apoyo y por ser verdaderos socios en la educación. Mantener a nuestros estudiantes y escuelas seguras para que la instrucción productiva pueda llevarse a cabo seguirá siendo la máxima prioridad de Sharyland ISD.

Atentamente,

Dra. María M. Vidaurri
Superintendente de escuelas
