This raises the total number of COVID-19 cases to 1,371 in Cameron County. There have also been an additional thirty-two (32) individuals who have recovered, raising the total number of recovered individuals to 857.

Cameron County Public Health continues to work with the five nursing home facilities in addressing the COVID-19 outbreaks. To date, the Cameron County cases arising from the Veranda Nursing Home has included 34 employees and 63 residents who have tested positive, including eleven (11) who have passed away. The Windsor Atrium currently has 39 employees and 61 residents who have tested positive, including sixteen (16) individuals who have passed away. Spanish Meadows in Brownsville also has six (6) employees and eleven (11) residents who have tested positive, including one who has passed away. The Rio at Fox Hollow in Brownsville has three (3) employees and thirteen (13) residents who have tested positive. Alta Vista in Brownsville has one (1) employee and three (3) residents who have tested positive.

As part of the COVID-19 action response plan, Cameron County Public Health is conducting epidemiological investigations, contact tracing as needed, and continues to monitor the situation.
