5. This declaration of a state of disaster for public health emergency shall take effect immediately from and after its issuance.

SO DECLARED AND ORDERED THE 17TH DAY OF MARCH, 2020.

JOEL VILLARREAL
CITY OF RIO GRANDE CITY MAYOR

Attest:

Melissa Garza, Interim City Secretary

Exhibit A

DECLARATION REGARDING PUBLIC AND PRIVATE GATHERINGS

1. The virus that causes COVID-19 is easily transmitted, especially in group settings, and it is essential that the spread of the virus be slowed to protect the ability of public and private health care providers to handle an influx of patients and safeguard public health and safety.
2. Because of the risk of the rapid spread of the virus, and the need to protect the most vulnerable members of the community, this Declaration limits all indoor public and private gatherings within and enclosed space of 10 persons or more anywhere in City of Rio Grande City beginning on the day of execution and continuing for as long as reasonably necessary unless extended consistent with requirements of state law.
3. For all other gatherings, it is strongly recommended that social distancing protocols established by the United States Centers for Disease Control and Prevention (CDC) and found within the "Implementation of Mitigation Strategies for Communities with Local COVID-19 Transmission" issued by the United States Centers for Disease Control and Prevention ("CDC") on or around March 12, 2020 (available online at <https://www.cdc.gov/coronavirus/2019-ncov/downloads/community-mitigation-strategy.pdf> as well as "Interim Guidance: Get Your Mass Gatherings or Large Community Events Ready for Coronavirus Disease 2019 (COVID-19)" issued on or around March 15, 2020 (available online at https://www.cdc.gov/coronavirus/2019-ncov/downloads/Mass-Gatherings-Documents_FINAL.pdf including canceling, rescheduling, or not attending events with more than 50 persons.
4. Further organizations that serve high-risk populations (defined below) should follow CDC guidance for social distancing.
5. Definitions and further guidance

- a. For purposes of this Declaration, a “ Mass Gathering” is any event or convening subject to the exceptions and clarifications below, that brings together or is likely to bring together Ten (10) or more persons at the same time in a single room or other single confined or enclosed space, such as, by way of example and without limitation, an auditorium, theater, stadium (indoor or outdoor), arena or event center, meeting hall, conference center, large cafeteria, or any other confined indoor or confined outdoor space.
- b. A “Mass Gathering” includes events in confined outdoor spaces, which means an outdoor space that (i) is enclosed by a fence, physical barrier, or other structure and (ii) where people are present and they are within arm’s length of one another for extended periods.
- c. This Declaration also does not prohibit gatherings of people in multiple, separate enclosed spaces in a single building such as a multiplex movie theater, so long as 10 people are not present in any single space at the same time. This Declaration also does not prohibit use of enclosed spaces where 10 or more people may be present at different times during the day, so long as 10 or more people are not present in the space at the same time. For any gathering covered by this subsection c., compliance with Social Distancing Recommendations, including providing hand sanitizer and tissues and increasing cleaning of commonly touched surfaces is strongly encouraged.
- d. For purposes of clarity, a “Mass Gathering” does not include the following (i) public or private schools and places of worship; (ii) museums (so long as visitors are generally not within arm’s length of one another for extended periods); (iv) spaces where 10 or more persons may be in transit or waiting for transit such as bus stops; (v) office space, hotels, or residential buildings; (vi) grocery stores, shopping malls, outdoor markets, or other retail establishments where large numbers of people are present but it is unusual for them to be within arm’s length of one another for extended periods; (vii) hospitals, medical facilities and shelters; and (viii) jails and detention centers. In all such settings, it is recommended that the public follow Social Distancing Recommendations, and harm reduction measures such as hand sanitizer and tissues should be provided when possible. However, any specific large gathering space that is part of any building included in this

subparagraph d. is subject to the limit on Mass Gatherings of the space holds 10 or more people.

e. "High-Risk Populations" include people who are:

- i. 60 years old and older;
- ii. People with certain health conditions such as heart disease, lung disease, diabetes, kidney disease and weakened immune systems;
- iii. People who are pregnant or were pregnant in the last two weeks;
- iv. People experiencing homelessness

6. The Health Director may update restrictions set out in this Exhibit as necessary to respond to the evolving circumstances of this outbreak during the duration of the County Judge's Declaration of Public Health Emergency and any extension by the County of Starr Commissioners Court.
