

Cameron County Sheriff Department

At this time we are conducting an investigation in reference to an employee that may have unlawfully leaked or sold a video of an internal incident involving staff and a prisoner.

Our main focus is to identify the identity of the employee that has been compromised. We have many concerns in regards to this employee. Our employees are entrusted with confidential information which if released could place lives at risk because of the confidentiality of sensitive information of persons in custody. We deal with all sorts of inmates of different backgrounds, charges and gang affiliations. Finding the identity of our compromised employee is our main objective.

If you have any information, please call our Cameron County Crime Stoppers at (956- 350-5551).
